

Westward Expansion Project

Create a visual explanation of the growth of the United States in the 1800's that has displays the six land sections that were acquired using your research notes.

Project Choices:

- A creative poster
- Pop-up poster
- A 3-D image with facts
- Manifest Destiny's' dark-side poster
- Your own idea (ask me first through email or in person for approval first)

Due Date- Project is due on Friday May 10

Formative Grade- 30 points

Must Have:

- Title
- Facts: manifest destiny, nation that had possession, year US acquired it, form of acquisition, key details/events on how we acquired the land
- Creativity, effort, and neatness
- Visuals that are associated or connected to each section
- Grammar and spelling
- Not in pencil or loose leaf
- Be an original idea...
 - cut and paste or copied work from online sites like Pinterest will be considered plagiarism and not accepted for a grade
