Weekly Vocabulary & Spelling Homework

Every week you will receive a list of the week's words (10 words). Monday through Thursday you will be responsible for completing three different activities from the following list. You will have to complete this work at home. Occasionally there will be time in class – but there is no guarantee!! On Friday students will take a spelling test. On four-day, or shorter, weeks we may not have spelling tests, or we may have a shorter list, or students will only have to complete two spelling activities.

YOU MUST COMPLETE 3 ASSIGNMENTS EVERY WEEK!
