Classwork 3-21-19

Today's Objectives:

By the end of the class period students should be able to say:

1. **I CAN describe another person using at least 21 Terms and create a visual representation**
 2. **I CAN use the Text tool to create text boxes with different sizes, font styles, colors and directions.**
 3. **I CAN use other tools to create a visual representation and add filters**
-

► Open Fireworks

- Click File- New
- Width – 800 pixels
- Height – 400 pixels
- Canvas Color – can be any color of your choice
- SAVE file
 - a. File > SAVE AS

last name, first-WC 2

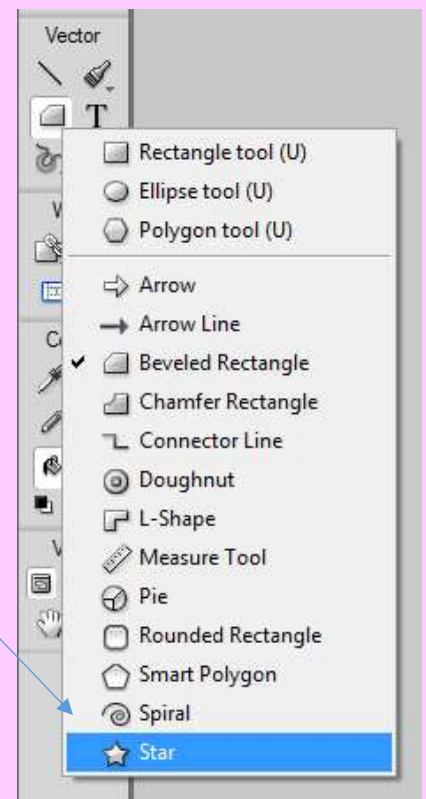

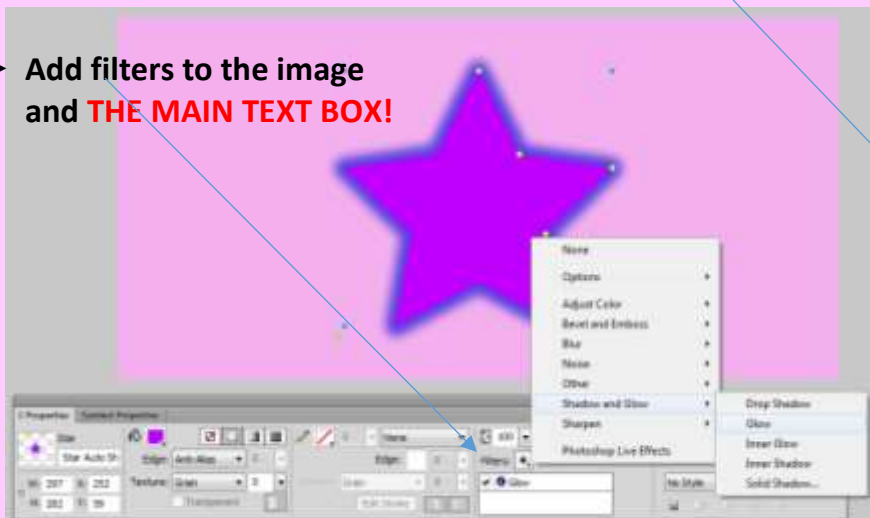

- **Choose** at least one person from your life that you admire or care about. It can be family member or a close friend. You may either use the person's name or their relationship to you to add as the main word on your word cloud. Example: Mother, Friend, or their name.

- Add a symbol or image.

You may draw using the tools or save from the internet and import image. Make sure it is a solid image as to not distract from your text.

- Add words to describe them that start with each of the letters of the alphabet. You may omit letters q, v, x, y and z.

- Add filters to the image and **THE MAIN TEXT BOX!**

► Save as:

last name, first name-WC 2

► Then save again as a JPEG and turn in only the JPEG

► To receive full credit, your word cloud must contain:

- ✓ Main word
- ✓ 21 descriptive words
- ✓ an image
- ✓ at least 2 applied filters
- ✓ and must be saved and dropped off correctly
- ✓ ***and YOU MUST NOT RECREATE THE EXAMPLE!***

Use this as a check list to see what letters you have used so far:
