

# Multi Media

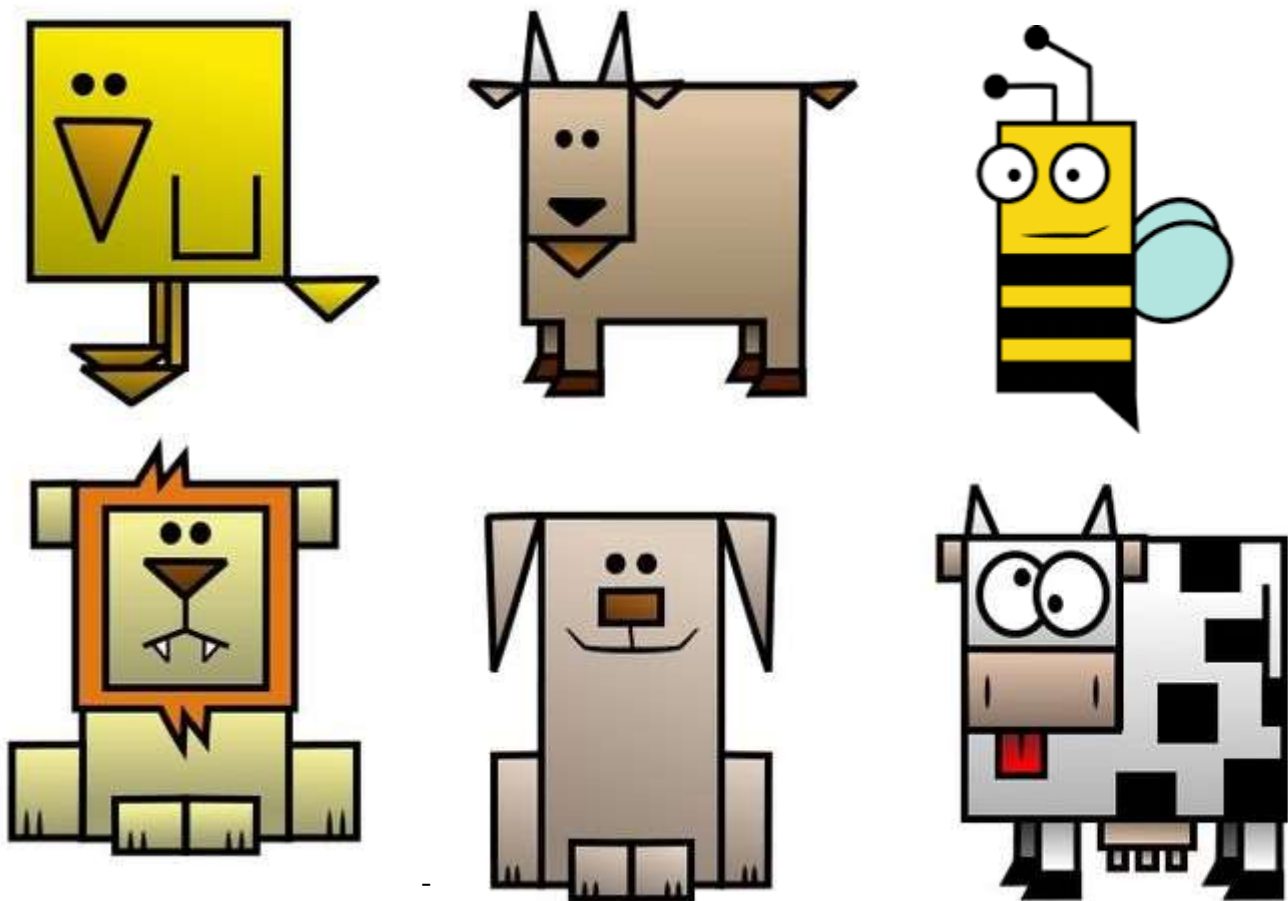

## Classwork 3-26-19

### Today's Objectives:

By the end of the class period students should be able to say:

1. / CAN use the ellipse tool to create circles and elliptical shapes.
  2. / CAN use the rectangle tool to create circles and elliptical shapes.
  3. / CAN use the gradient mode in the fill options to create desired effects
  4. / CAN use the Smart Polygon Tool to create a TRIANGLE shape
  5. / CAN use the pen tool to create objects in the drawing
- 

Choose one of the following images and try to recreate it in Adobe Fireworks. Take a pencil to the computer with you and write down each step that you use to create this image. You will need this later.

Save your image as ### last name, first name-Cartoon

Do not save as a JPEG and do not turn in, you will be adding this another document!
