

# PHOTOGRAPHY REMOTE LEARNING

## ASSIGNMENT (B): TOP 5 OUT OF 100 W/ 5 REFLECTIONS

1. CREATE a GOOGLE DOC in your Google Drive which can be accessed from your school email.
2. Title the Google Doc with your name (first & last), hour, class, and the name of the assignment
3. PICK YOUR TOP (Best) 5 PICTURES OUT OF THE 100 that you took of one object.
4. Insert them into your google doc
5. Put them in order and label them from 1-5 (1 being the best / 5 being the least best out the five)
6. Write self-critique/reflection for each picture making sure that it is labeled the same number as the picture that it goes with (1-5)

### REFLECTIONS (one for each picture (5))

#### USING PHOTOGRAPHY / ART TERMS, WRITE ABOUT...

- ★ **THE ANGLE** (Up / Down / 45% / Side / Corner? What angle is the camera pointed at towards the object?)
- ★ **THE LIGHTING** (What is the source of the light? Where is the light coming from (what direction)? What does the light do to the object? Are there shadows, no shadows? Does the picture make the viewer think of specific things, just by the way the light falls upon on the object?)

- ★ **THE LOCATION** (Where did you place the object? Does the location help or hinder the photo and why?)
- ★ **THE BACKGROUND** (Does the background distract from the object? Does the background help the object stand out from the background?)
- ★ **THE SURFACE** (Why did you put it on the surface that it is on?)
- ★ **THE FRAMING** (Is there a lot of space around the object?)
- ★ **THE COMPOSITION** (How did you arrange the object?)
- ★ **THE CROPPING** (How did you crop the picture? Can you see all, most, some, or a tiny bit of the object?) **etc. etc. etc.**

**DO NOT WRITE THAT YOU "LIKE IT", EXPLAIN TO ME SPECIFICALLY WHY YOU LIKE IT, USING THE TERMS AND MORE LOCATED ABOVE. TELL ME WHY THE PICTURE STANDS OUT FROM THE REST OF THE 100 PICTURES OF ONE OBJECT!**

**RUBRIC FOR P.R.L.A. (B):**

- TOP 5 PICTURES IN ORDER AND LABELED FROM 1-5 (1 BEING THE BEST PICTURE) FROM THE 100 PICTURES YOU TOOK OF ONE SUBJECT
- EACH WITH A REFLECTIVE PARAGRAPH AS TO WHY IT IS NUMBER 1, 2, 3, 4, OR 5.
- EACH PARAGRAPH MUST BE AT LEAST 5 TO 7 SENTENCES (BASICALLY THE LONGER THE BETTER AS LONG AS IT IS WRITTEN WELL).
- EACH PARAGRAPH MUST EXPLAIN WHAT MAKES THE PICTURE STAND OUT FROM THE OTHERS USING PHOTOGRAPHIC TERMS SUCH AS WHAT TYPE OF LIGHTING IT HAS, ANGLES, FRAMING, CROPPING, COMPOSITION ETC.

- PICTURES AND PARAGRAPHS WILL BE INSERTED ONTO A Google Doc, ARRANGED IN ORDER, UPLOADED AS A FILE, AND SUBMITTED IN ILEARN.

### **ASK YOURSELF ABOUT THE...**

1. **5 pictures** (Is it a photograph rather than a snapshot / is it in order / is it numbered?)
2. **5 self-critiques / reflections** (Is it written well, does it explain the picture and the reason why it has been chosen as a top five picture - does it contain photographic terms - does it make sense when using the photographic terms...etc.)

**4 POINTS ARE AVAILABLE TO EARN**
