

What is an artifact?

What is an archaeologist?

What is an excavation?

Put those three words into a complete sentence

Write down (in this order):

*Name:*

*Artifacts 2*

*Place:*

*Adverb*

*Adjective*

*Adjective 3*

*Artifact*

*Place 4*

*Place 2*

*Place 5*

*Adjective 2*

*Adjective 4*

*Name 2*

*Name 3*

*Place 3*

Name was an archaeologist from place who was studying many different types of adjective artifacts in place2. During his excavation, he met an adjective2 woman named name2 who was another archaeologist, but she was from place3. Who knew that while studying all of these artifacts2 they would fall adverb in love. They spent the rest of their adjective3 lives excavating sites such as place4 and place5. They even had a adjective4 baby and named it name3
