

Name _____ # _____ Date _____

Step 5: Made in Michigan Presentation Note Cards

The date for my presentation is _____

You need one note card for each of the pieces below (5 cards total)

1. Describe the product made by the Michigan Company.
2. Where is your company located?
 - Identify the region
 - Identify the city
3. What is the company's history?
4. Describe the company's resources.
5. What did you enjoy learning about your Michigan Company?

Things to remember:

- You will need to have your information on 5 notecards.
- You will need to be able to locate the city where your company is located on the map.
- You will need to practice your presentation at home and have your note cards signed by a parent, indicating that you practiced.
- You will need to describe your poster and answer questions about your company.
