

Name _____ # _____ Due Date _____

Choose a climate zone — then draw a travel poster for a city in that climate zone. Think about what makes each climate special.

- Include a title that includes the climate zone and city name.
- What plants and animals live there?
- What sorts of houses do people build there?
- What clothes would you need to pack?
- What time of year would you choose to go?
- What direction would you need to travel to get there from Dearborn?

Your brochure must include a non-fiction text feature (you choose) for each element.

Rubric

Text feature for each element	1 point each		1 point each
Title that includes the climate zone and city name.		Neatness	
What plants and animals live there?		Creativity	
What sorts of houses do people build there?		Correct conventions	
What clothes would you need to pack?		Title	
What time of year would you choose to go		Total Points	
What direction would you need to travel to get there from Dearborn?		Comments
