

Economic Film Analysis Questions for

Monsters, Inc.

1. What good does Monster's Inc. produce?
2. How do they produce it?
3. Screams are "demanded" in terms of energy use. How does the movie illustrate a shortage in screams?
4. What is causing this shortage? (Comes later in the video.)
5. List at least 3 goods/services that are complements to screams.
6. List the factors of production for Monsters, Inc. Describe how each character in the movie is included in the production process. On the right is a list of characters you should include...this is just a starting point. You should have many more!
 - Land:
 - Labor:
 - Capital:
 - Entrepreneurship:
7. Is demand for screams elastic or inelastic?
8. How do we know?

<p>Sully Waternooze Mike Wazowski Boo Randell</p>
--

9. Changes in Supply: (A) Show how the following factors influence the supply of energy, and (B) Explain the example of the shifter from the film.

• **Government Intervention:**

• **Change in Technology (new machine):**

• **Resource Costs (cheaper resource discovered):**
