George T. Darany and Family Future Business Leader Scholarship

This scholarship was established on behalf of Representative Darany and his family. Representative Darany felt called to give back to the community that has given so much to his family. The Darany family created the scholarship in order to honor Representative Darany's Dad and to thank him for encouraging George to pursue his dreams of owning his own business. Representative Darany first showed interest in entrepreneurship at a young age, he hopes that this award will benefit a student with business aspirations.
