## Robert Cipriano Scholarship

This Scholarship was established in honor of a dear friend of our school district – Mr. Robert Cipriano. For Bob athletics was always a vital component in a child's educational experience and this fund was established to keep that memory alive in the minds of our students. Taking the top student who exemplifies this in their life is a way to encourage health & wellness as a lifestyle. Below are the requirements that will need to be fulfilled in order for a student to be considered for this scholarship.

- ◇ A \$500 scholarship will be awarded to a boy or girl from each high school (Dearborn, Fordson & Edsel Ford).
- ◇ Student must have participated in at least one full season of Cross Country, Track, Softball, or Baseball during any of their four years of high school (varsity status not required)
- ◇ Student must have a minimum GPA of 2.8 or higher (transcript)
- ◇ Letter of acceptance to a college or university
- ◇ Student must submit a 500 word essay on how athletics has played a part or helped to make them a better student
- ◇ Referral letter from a coach, teacher or administrator of the school they attend
