

Henry Ford College Camp Henry
Environmental Science Camp Full Scholarship Application

July 8th-9th, 2019 (Tuesday-Wednesday), 9:00 am-3:00 pm

Location: HFC's Main Campus, 5101 Evergreen Road, Dearborn

Camp Eligibility: entering 7th, and 8th and 9th grade in Fall 2019 and attending school within the Dearborn Public Schools district.

Instructors: Mary Parekunnel, Ph.D., Environmental Science Coordinator, HFC
Zac Polzin, B.S., Biology Lab Associate, HFC

Camp Description

Campers will experience two days of adventures into the science involved in the natural world around us. Students will get an opportunity to explore rain and roof gardens, survey a forest, identify aquatic organisms, and discuss issues of environmental concern. There will be a special focus on environmental sustainability and how students can impact the future of our world, using the principles presented during the camp. Campers should leave camp with a greater appreciation and understanding of the natural world around them.
