

 I  usually  go to school  to  do  my  school work.

But  things  are different  right  now.

 My  teachers  are at their  homes.  I  am at  my  home.

But  we  still  have  school work  to  do!

 My  teachers  can  send  me  school work  to  do  at  home.

 A grown up  at  home  can  help  me  get started  on  my work.

 I  can do  my  school work  at home!

 My  teacher,  my  family  and  I  will  all  feel  proud  when

 I  work hard.
