

Mrs. Zastrow's 5th Grade Week of April 15, 2019

	What We Are Exploring This Week!	What You Can Do At Home To Help
Math	Math review of Common Core Standards, focus on: <ul style="list-style-type: none"> - adding and subtracting fractions - reading graphs and charts - area and perimeter 	Practice using ZEARN <u>HOMEWORK</u> - HW is subject to change ZEARN for 15 minutes a day
Reading	Passage Based writing We read 3 articles on the Rain Forest and students are working on creating a presentation as a tour guide and the importance of saving the rain forest.	Allow students internet access to work on their presentation. <u>HOMEWORK</u> - HW is subject to change iReady for 20 minutes a day
Writing	<u>Grammar Review Focus On:</u> <ul style="list-style-type: none"> - verb tense - correlative conjunctions - punctuation 	Have your child practice writing using the grammar topics we learned about it class. For example, have them switch a sentence from past tense to present tense.
Spelling	No spelling this week because of M-Step	Have students practice past spelling lists and patterns. <u>HOMEWORK</u> - HW is subject to change
Science	<u>Living Systems</u> Topics: <ul style="list-style-type: none"> - Kelp Forest Food Web - Recycling - reading graphs and charts 	We are doing a lot of catch up reading in class this week. Please review anything we read by discussing what students read in class.
Social Studies	<u>Unit 6: The American Revolution</u> Lessons 4-6 Different Perspectives	If you child has internet access have them read or watch videos about the American Revolution.
