

McC/UNIS

# Title 1

*The concept behind Title 1 funding is to give schools access to additional federal funds to supplement student learning to raise achievement. Schools identified as Title 1 Schools are those that have a majority of students that receive Free or Reduced Lunch.*

*100% of McC/UNIS students receive free lunch*

# Title 1

## *Purpose*

Give supplemental support to students that are economically disadvantaged and do not have the same level of access to educational supports such as:

Tutoring

Technology

Tangibles

# Definitions

## *Economically Disadvantaged*

Students that receive free or reduced lunch based on their financial situation.

## *English Language Learners*

Students that are identified as speaking English as a second language.

## *Special Education*

Students that receive additional in school support due to a cognitive concern.

## *Aggregate*

Total school population including all subgroups
