

AREA OF PARALLELOGRAMS AND TRAPEZOIDS #1

Use the rectangular dot paper to find the area of the parallelogram. Show all your work!

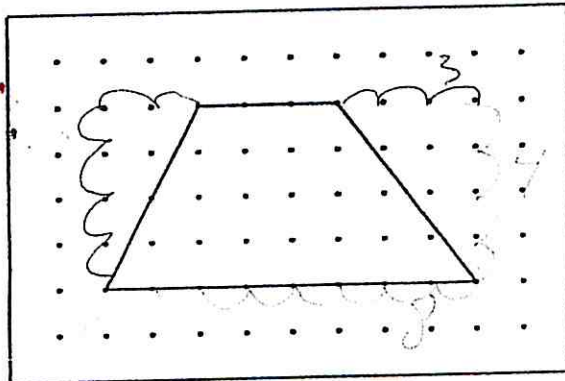

1.

Area of the Parallelogram:

$$32 \text{ u}^2$$

2.

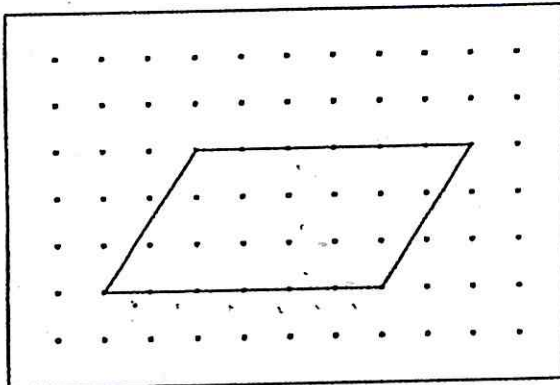

Area of the Trapezoid:

$$22 \text{ u}^2$$

$$32 - 6 - 4 =$$

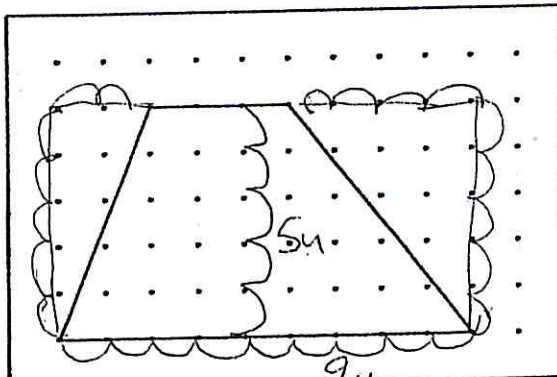

3.

Area of the Parallelogram:

$$18 \text{ u}^2$$

4.

Area of the Trapezoid:

$$30 \text{ u}^2$$

$$45 - 10 - 5$$
