

**Read a chapter book during the 10-day break. Complete the "Reading Response Activities" below for each chapter. Turn in your packet when you return from break on Monday. Happy reading and Happy Spring Break!**

Chapter 1: Write about the setting in detail.

Chapter 2: Make 2 predictions in detail.

Chapter 3: List the characters and traits (describe them)

Be sure to leave extra space in this section ... as you go through other chapters, you will be adding new characters and traits to this answer.

Chapter 4: Write some questions (at least 2) you have about the story.

Chapter 5: Draw a picture to show a visualization you have in your mind.

Chapter 6: Write about a problem (in detail) that has shown up.

Chapter 7: Write about a significant event (in detail) that has happened in the book.

Chapter 8: Write about another significant event (in detail) that has happened in the book.

Chapter 9: Draw a picture to show a visualization you have in your mind.

Chapter 10: Write about another problem that has shown up. Also, write about the solution.

**\*Make sure you have gone back and added to your list of characters and their traits from chapter 3's work.**
