

# **Summer Learning Book Talk Directions**

Choose one of the three to five books you read over the summer to present as a book talk in your 6th Grade Language Arts class. Use an 8½ x11 or a 9x12 piece of paper for your presentation.

## **Front of the Paper**

1. Create a visual representation of the book. This could be a picture of the setting, the characters, or your favorite event in the story.
2. Include the title and author of your book.

## **Back of the Paper**

1. Write a complete summary of your book. Be sure to include specific and important details about the events in the story including how the story ends.
2. Write down your favorite passage and the pages it came from. Be sure to have a sticky note while you read so you can easily find your favorite part again and use it for this book talk.
3. Would you recommend this book to a classmate? Evaluate what is good/bad about the book using some specific details about the plot, characters, problem, and solution of your novel.
