June 2020

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
	1 Practice writing your first name three times.	2 Draw a picture of what summer is to you. Illustrate!	3 Read your favorite book with someone at home. Retell the story.	4 Use something at home (sticks, Play-Doh) to make different shapes.	5 How old are you? Count the number on your fingers.	6
7 	8 Take a picture walk through a new book. Make a prediction of what the story will be about.	9 Sing the alphabet. With help, try to write all of the letters in the alphabet.	10 With help write the numbers: 1 2 3 4 5 6	11 Read a song with someone at home. Tell your favorite part.	12 Find three things in your house and tell what shape they are.	13
14	15 Sing the alphabet. Say the letters that are in your name.	16 Clap your hands 10 times while counting to 10. Clap your hands 20 times while counting to 20.	17 Read a book with someone at home. Tell something important that happened.	18 Draw a picture of something you might see at the beach. With support, write the word.	19 If you have 2 bananas and someone gives you 1 more banana, how many bananas do you have?	20
21	22 Read a poem with someone at home. Tell your favorite part.	23 Put two toys next to each other. Which toy is taller? Shorter?	24 Draw a picture of your favorite TV. character. With support, write the name of the character.	25 Line up five toys. Which toy is first? Which toy is last?	26 Practice writing your last name three times.	27 
28	29 Talk about things you see outside using the following words: over, under, in front of, and behind.	30 Look at the numbers below. Which is bigger? Smaller? 4 8				

July 2020

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
			1 Ask someone to read you a book. Who were the characters in the story?	2 Do 10 jumping jacks while counting to 10.	3 Practice writing your last name three times.	4
5	6 Draw a picture of something you would like to do this summer.	7 Ask someone to read you a book. Who is the author? What is an author's job?	8 Count 10 of something. (For example: ten crayons, pennies, cars)	9 Line up three toys. Which toy is first? Which is last?	10 Find something in your house that is a rectangle.	11 
12 	13 Find something in your house that is a square.	14 Take 10 of something small. Split them into two groups, which group has more? Less? Try it again.	15 Sing the alphabet. With help, try to write all of the letters in the alphabet.	16 Ask someone to read you a book. Tell your favorite part of the story.	17 Ask someone to read you a book. Compare it to the book you read yesterday. What was the same? Different?	18
19	20 If we have 3 apples and add 2 more, how many apples do we have all together?	21 Look at the pattern. What comes next? ★ ■ ★ ■ _	22 Ask someone to read you a book. Identify the cover of the book.	23 Find two of your favorite toys. Compare them. Which is taller? Shorter? Bigger? Smaller?	24 Draw a picture of your favorite food.
