

Special Area Assignments

4/20/2020-4/24/2020

Each day, students should focus on one special area. Our special area classes are a great opportunity for students to get a break from core subjects, supplement their learning, and enrich their lives. We will collect and grade work on a weekly basis.

This week, please copy and paste our daily assignments/links to your online classroom, or upload this document and instruct students to visit one special per day. Double check that you have the correct special area teacher for your students for art, music and PE.

Monday- Music

Scannell's Classes Click here for all links and Music Exit Ticket:

<https://forms.gle/x4WxGMwtZhNxrA8D9>

Adkins' classes Click here for all links and Music Exit Ticket:

<https://forms.gle/dcy2Lns3FmZ6AwpUA>

Weekly Music Challenge 1: Watch the play along video, then find something in your house that you can tap or shake to play along with the rhythms in the video. Tell me what you used to play along with it in the exit ticket.

Weekly Music Challenge 2: Practice drawing rhythms using ta, titi, ta-ah and tika tika using pencils, markers, crayon, or even sidewalk chalk. Take a picture of your best rhythm and post it in the exit ticket.

Mrs. Scannell email scannee@dearbornschools.org (if you have questions)

Mrs. Scannell's blog: <https://iblog.dearbornschools.org/scannellmusic/>

Ms. Adkins email: adkinss@dearbornschools.org (if you have questions)

Ms. Adkins's blog: <https://iblog.dearbornschools.org/msadkinsmusicroom/>

Tuesday - Art

Sabourin's art assignments, all classes K-5 use this link. (For Styczynski art class, see below.)

<https://forms.gle/t5kJsoEpDkSaqkXX8>

This link will take students to a Google Form with two art assignments and instructions. For each activity, students are to submit a title and either a photo of their artwork or a short writing about their artwork.

Weekly Art Challenge 1: Collect nature items and arrange them to make a new artwork.

Weekly Art Challenge 2: Drawing nature - Choose two nature items and draw them...BIG.

Ms. Sabourin's email sabourm@dearbornschools.org (if students or parents have questions)

Ms Styczynski's blog for art assignments (Sobh, Beydoun, Alawy).

<https://iblog.dearbornschools.org/styczynski/class-info/> - even though it says "class info", the link is a page created specifically for Y5, K, and 1st art. Lessons will be updated once per week.

Ms. Styczynski's email: styczyj@dearbornschools.org (if students or parents have questions)

Wednesday - Media

Check Ms. Kinnaird's Google Classroom for your assignments.

Thursday - Science Enrichment

Science Enrichment Assignment: Mystery Animal Activity & Rubber Egg Experiment

<https://forms.gle/THtPhU46qc9LNHY6>

The link will take students to a Google Form where they will complete their science activity for the week.

For any questions or concerns, my email is: alsaadz1@dearbornschools.org

Friday - PE

Jump rope practice continues! Click on link for the activity and exit ticket:

<https://forms.gle/PREhPChJnzT2X1pA6>

Here is the link for a week's worth of Phys Ed activities and information. For Mr. Bazzy's class specifically, I provided a middle school link because you are essentially 6th graders now. Also on Mr. Lesniak's blog, there will be physical activities posted throughout the week.
