

Dear Parent,

Your child has been using Storybird to write stories with beautiful artwork as inspiration. They would like to connect you to their account so you can:

- View your child's classwork.
- Receive notifications about their classroom writing activity.
- Save their stories into a personal account when class is over.

Go to **storybird.com/parents** and enter Class Passcode: **QME2X**.

As a thank you for getting involved in your child's writing activity, we will add 55 Crowns to your child's account when you connect. Enough for a beautiful printable PDF edition of their story you all will enjoy!

See you soon!
