

5th Grade Memory DVD!!

Hi everyone! I am Anne, Evan B.'s Mom. I will be creating this year's Memory DVD for the class at promotion time. It's time to start collecting pictures for this great keepsake. This is the first call for pictures (there will be several - as this is a long process). I can accept digital or hard copies. Please note that I have many pictures of your child that I have taken through the years from the events that I attended that will be included in the DVD. I will also rely on you to send in pictures of the events I wasn't able to attend. I use a special e-mail for the digital pictures. I have listed the criteria for the picture submissions. Please contact me with any questions or concerns.

Pictures needed now:

- Individual students (max of 5 - Age 1-now)
- Pictures with friends

Please send in before break:

Feb. 14th

1. **Digital** - **preferred method**. Please e-mail them to WB5thgradememorydvd@yahoo.com or flash drive
2. **Hard copy** - I do have a photo scanner so I can accept printed copies

Rules:

Digital: Send digital files to e-mail address with the student name in the subject line. Name files in the order you want them to appear. If submitting a flash drive please seal in envelope with Evan B.'s name on it as well as your e-mail address and your student's name and give it to him. Flash drives will be returned via the same method.

Hard Copy: Label each picture with a sticky note (back side, do not write on the photo) with your child's name and the number in which order you would like it to appear. Please seal in an envelope with Evan B.'s name on it as well as your e-mail address and your student's name and give it to him. Photos will be returned via the same method.
