Shade with pencil or color to finish.</p>	<p>Should reflect 5 hours of work and be 8 x 11 minimum. Use basic shapes and combine to make more complex items.</p>	<p>Keep proportion in mind and find as many details as you can to draw, this makes it more realistic.</p>	<p>Try and draw more than one side of an item to show dimension and shade one side darker than the other on all item</p>	<p>Projects due today: Upload photos of projects to Google Classroom or email me @ Kade email.</p>	<p>Links and examples at blog and classroom Hangout TBD</p>
	<p>Wolff (Band/orchestra): https://iblog.dearbornschools.org/wolff/</p>	<p>For the week you will be practicing songs in your method book and working on your concert music. You will record videos showing weekly progress and this will be uploaded to google classroom. You will also be required to do at least 5 sight reading selections from sight reading factory per week. For your class you should be able to do level 1 on sight reading factory. This will also be recorded and uploaded to google classroom. The last thing you will need to do will be to go to musictheory.net and do 25 note identifications per week. They will need to take a screen shot of what they have done and post it to google classroom.</p>
