DRD is a highly successful competitive USA Swim Team affiliated with the Dearborn Recreation Department. The team trains year round at OL Smith Middle School, Edsel Ford High School and the Dearborn Recreation Center during the school year and Dunworth Pool in the summer. Monthly training fees vary depending on the training group but average less than \$3 per hour. Our mission is to develop goal oriented, ambitious, and dedicated student athletes. Our objective is to provide a foundation for success that carries with the individual for their entire life. We encourage our swimmers to set high standards and expectations for themselves - to face challenges head on and learn to overcome adversity. This requires not only the physical ability, but also the mindset that: "Anything you can conceive of and believe in, you can ACHIEVE!"

*Can't make the New Member Night?

We accept new swimmers at **any** time, just give us a call or send an e-mail.
