PRINCIPAL'S NOTES

Second semester is well under way here at Bryant! The students are adjusting to their new elective courses. Please discuss with your child the importance of taking advantage of a new marking period. Take some time to set goals with him/her. Goals can be very helpful in making better choices if a plan is created and regularly evaluated along the way. Goals can be as simple as getting a higher GPA, studying 2-3 days prior to every test or turning in all assignments.

Please remember that most of the teachers have blogs. Teacher blogs/staff websites let you know what is being studied and homework that has been assigned. Staff blogs are an excellent resource in finding out what is due BEFORE it is late. Parent connect is another resource. However, remember that parent connect lets you know what is missing. We do have extended day tutoring available for struggling students. Please contact the office for more information.

Together, we will continue to make Bryant Middle School the best!

REPORTING ABSENCE/TARDY

Attendance Phone 827-2901

The voice mail is available 24 hours a day. Please call before 8:00 a.m. on the day the student will be absent or late. If we do not receive a call from a parent regarding the student absence, a call will be made to your home phone to notify you of the absence. If a student must leave school due to illness or an appointment, a parent or guardian will be required to show a driver's license to sign them out. No child will be released to anyone not appearing on the Emergency card without administrative approval. If the student returns to school during the day, he/she must report to the office to sign in and get a pass back to class. Homework can be requested if a student is absent three consecutive days.

SCHOOL OF CHOICE APPLICATION DEADLINE IS FEBRUARY 1, 2013

The deadline for School of Choice (SOC) applications is FEBRUARY 1, 2013 for the 2013-14 school year. Parents can obtain the SOC application at any school, Student Services office, or online. FROM THE DESK OF MR. DEAR

Making Good Choices

Second Semester brings with it the promise of nicer weather, class trips, outdoor activities, and new adventures as we look to the next year, but sometimes those promises get in the way of making the best choices. Often times we hear adults ask us if we made the best choice, what does that really mean. The best choice under the circumstances, the best choice for all involved, the best choice for now, or the best choice for the future? The correct answer is all of the above. When you make choices it is necessary to consider all of the possible effects of that choice.

If you choose to toss someone's lunch out of the bus window, it is obvious that the person most affected is the young man or young lady who no longer has a lunch. What about the driver of the car behind the bus who is shocked by the bag hitting the windshield, slams on the brakes in busy morning traffic, slides on the wet road, and hits another car. Now two individuals are unable to continue their morning commute, and are late for work as they wait for the police to make a report. I doubt you thought about that as you tossed the lunch, or planned on it happening that way, but the chain reaction of bad choices is often unpredictable.

Now consider making a good choice. You are on the way home from school, you notice an elderly man having trouble fixing a flat tire. You don't know a lot about changing tires, but you do know that you could help in removing the flat, and lifting the new tire into place if directed to do so. You stop and help, the elderly man is very grateful, but has no reward for your kindness. You were hoping for something, but you choose to be polite, wish the gentleman well, and head home. The next morning you are called to the office, and a phone message is played for you. It is the elderly gentleman and his daughter. They have called the school to thank you again and let us know how proud we should be of your actions. Your reward is realized and you can proudly face the rest of the day knowing you truly made a difference in someone's day.

As you continue to make choices this year, stop and think, "Who will be affected by my choice, is it a positive effect, or a negative effect, and what will be the outcome be.

"Have the courage to choose, use your knowledge to choose well"

Kelly Dear

Assistant Principal

PTSA Members, Parents, Students and Staff!

Dear Parent/Guardian:

The PTSA and Bryant staff would like to invite PTSA members to come school on February 1, 2013 from 9-10:30 am to observe classrooms. If you would like to attend this school improvement opportunity, please contact the office at 827-2900 by January 23, 2013. On February 1, 2013 we will convene at 9 am for a brief informational meeting followed by scheduled classroom observations. Parents will be organized into small groups and visit classrooms to observe student engagement and teacher support. After the classroom observations, parents will meet with Mrs. Peterson and Mr. Dear to discuss school improvement initiatives.

President Bryant PTSA

8TH GRADE PARENTS

Research has shown that the 8th grade year is critical to success in high school. Please discuss with your child the importance of being on task and focused at school. We expect the 8th graders to be role models for the younger students.

As you are aware, your son/daughter will enter high school and be required to meet the new State of Michigan graduation requirements. The curriculum leading to graduation is much more precise and demanding than past ones. Part of that curriculum allows boards of education the ability to give high school graduation credit for courses taken in the middle school. Taking high school credit at the middle school level can provide students greater opportunity for electives at the high school level.

The Dearborn Board of Education offers students the opportunity to earn high school credit for math and Spanish while in 8th grade. These classes are based upon the High School Content Expectations and should mirror high school rigor.

Students passing these classes will receive a credit toward high school graduation. The class will appear on the student's high school transcript.

THANK YOU!! MRS. DAWDY

By: Brenna Shelton

Bryant Middle School has a very important guardian angel protecting us. She is our crossing guard. Jean Dawdy has been crossing for 16 years and plans on keeping up the tradition. She works for the City of Dearborn, Police Department. You can find Mrs. Dawdy on the corner of Cherry Hill and Telegraph every morning. I interviewed her to understand what it is like to spend five of seven mornings crossing middle school children at 7:35 A.M! She told me about the time when a squirrel shadowed her. Whenever she would walk to the middle of the street with her sign, the squirrel would follow her! She also mentioned that the hardest part of her job was the cold weather, rain, and snow. Finally, when asked if she had any relatives at Bryant, she told me that she has a grand-daughter that goes there.

After I finished interviewing her, I presented her with a gift as a token of Bryant Middle School's gratitude. She was given a gift card to J.C. Penny's and a little angel that says *Thank You*, because she is our guardian angel. It was a pleasure to interview Mrs. Dawdy and I am glad I was given the opportunity to meet and thank her. So next time you see her, make sure you say hello and thank her as she spends her time keeping Bryant Students safe.

GET WELL KASSEM FARAJ!!!

Ex Detroit Lion's football player Corey Schlesinger presented seventh grader Kassem Faraj with an autographed football from the Detroit Lions. Kassem spent the summer at the MAYO Clinic in Minnesota where he underwent a bone marrow transplant to help fight his cancer. The two were brought together by Ms. Magee and the Bryant Student Council on behalf of all the students at Bryant Middle School. We wish Kassem a speedy recovery.

Mathcounts!

Mathcounts is a Bryant Club that focuses on Advanced Math skills. From October through February the team practices every Wednesday for an hour after school. There are two retired Ford Engineers that volunteer their time to help the students with the really difficult skills needed to solve the advanced questions. There is a tournament on February 11th that will decide who the Chapter winners are, and which students get to participate in the State competition in March. Bryant has always done very well against local schools and last year they represented the area at the State competition. Good Luck to this years' MATCHCOUNTS team.

BRYANT ACADEMIC GAMES TEAMS BRING TROPHY HOME

Bryant 282 points, Stout 266, Lowrey 225, Unis 218, Woodworth 216

The Academic Games teams brought the League Trophy back home on January 9th. Our team competed against all the middle Schools in a game called Equations. During each tournament students applied many higher level math skills, varying strategies and dominated the other teams from the very first week. Anthony Brown walked away with the *League High Scorer* trophy along with 12 other top twenty five high scorers(*). I am very proud these great students and their success this season.

MEDICATION

Please note that students are not permitted to self-administer prescription or over the counter medications during school hours. If your physician has determined that medication has to be taken during the school day, a Medical Authorization Form, available in the office must be completely filled out and signed by both the physician and the parent. The form and medication must be submitted to the office. Your child must report to the office to receive their medication. This policy of the Dearborn Public Schools is in accordance with General School Law (Section 380.11780).

BICYCLE SECURITY

Students must lock up their bikes in the racks on the north side or south side of the school. It is recommended that bicycles be secured with a strong cable and lock.

TEXTBOOKS

Parents can help students avoid end of the year fines, which can amount to a great deal of money, for damaged and lost texts by doing the following:

1. Periodically go over each text book with your child to examine and check for damage. This also shows the child that you will be monitoring his /her progress carefully. It is recommended that books be covered.
2. Do make sure that your child's name is written in the place provided on the inside of the cover with the teacher's name. This will help us get lost books back to the student quickly.
3. Do remind your child not to lend their books to friends as he/she are responsible for the book that they have been as signed.

Pesticide Prior Notification Request

As part of the Dearborn Public Schools District's pest management program, pesticides are occasionally applied. You have the right to be informed prior to any pesticide application made to the school grounds and building. In certain emergencies, pesticides may be applied without prior notice, but you will be provided notice following any such application. If you need prior notification, please complete the information below and submit to:

ELECTRONIC EQUIPMENT

No electronic equipment is allowed in school. Examples are portable cameras, iPods, hand held games, and PDA's. These items are frequently lost or stolen and disrupt the educational process. School personnel will not be responsible for lost or stolen items.

If an electronic device is seen or heard, it will be confiscated and returned only to a parent on the following day. The second time an electronic device is confiscated will result in a detention and a parent/guardian retrieving the device on the following Monday. If a student is caught using an electronic in class, the device will be confiscated and returned the following Monday to a parent or guardian. Repeated offenses may result in further discipline.

CELL PHONES

Dearborn Public Schools policy on cell phones is that they cannot be seen or heard. We discourage students from bringing them to school. If a phone is brought to school, it must be turned off and locked in the locker until 2:55 p.m. Students may not use their phones inside the school, or on the busses. Phones may only be used after school and outside of the building.

School personnel will not be responsible for lost or stolen phones. If a cell phone is seen or heard, it will be confiscated and returned only to a parent or guardian the following day. The second time a cell phone is confiscated will result in a parent/guardian picking up the cell phone on the following Monday. If a student is caught using a cell phone or if the cell phone rings in class, the cell phone will be confiscated, a detention will be assigned, and the phone will be returned the following Monday to a parent or guardian. Repeated offenses may result in further discipline.

PARENT CONNECT

Please take advantage of this exciting service. Parent Connect allows parents to view their student's grades in real time through the web. We encourage every parent to sign up and access parent connect regularly. Sign up forms can be found in the office or on the Bryant Middle School website.

Students who received free or reduced lunches last year will be continued in September. Everyone will need to reapply to continue free or reduced lunch after September. The forms are available in the office.

LUNCH CHARGES

Lunch charges may be made for the lunch entrée only and must be paid back within one week. Students may not exceed \$5.00 in charges. The balance must be paid before any further charging is allowed.

SCHOOL BUS INFORMATION

Eligible students should have received a postcard from our transportation department telling them where they should wait for their bus and the pick up time. Students should make a point to learn their bus number and their driver's face. This makes it much easier to find the bus at dismissal time.

Riding the school bus is a privilege. Students are expected to behave as young adults on all buses. Students who misbehave will face a range of consequences including loss of riding privileges. All questions regarding transportation should be addressed to the Transportation Department at 827-3300.
