Directions:

Directions for setup and use:

Cut the paper in half to create two “First/Then” visuals. Laminate the pages with hard laminate. Once laminated, put hard velcro on the page for PECS to attach, or simply use a dry erase board! One great way to prep this visual is to put it on the inside sleeve of a DVD case and place the corresponding PECS inside.

Thank you for supporting my TPT store!

Thank you for sampling this product! This purchase provides you with one license - therefore it may be used in one classroom. If you would like to share, please purchase an additional license.

I hope this resource is useful to you! Please leave me a review and product recommendations and suggestions by directly messaging me on my seller account!

Thank you!
Kristina Watkins, Inspired Autism Education
