

3 x 5 CARD GUIDELINES

- Due Tuesday, January 24th, before I leave the building**
- Must be written in your own hand (no shrunken photocopies)**
- May use both sides**
- May NOT contain specific problems that have been worked out**
- Can contain generic information, such as formulas, definitions, processes to be followed, diagrams, etc, as long as they do not contain specific examples. I will check each card. Any information that is not allowed will be removed from the card.**
- Your card will be returned to you on the day of the final. It will be turned in when you turn in your exam.**
