

Flowers for Algernon Assignments

In addition to the assigned calendar reading and quizzes,
you are responsible for the following:

Annotations-You must do a minimum of 10 for each.

See example sheets for more information

Questions-5 Thin and 5 Thick (answers must be given to receive full points)-20 points

Connections-T to T, T to S and T to W -10 points

Inferences - Make 10 inferences using the examples sheet as a guideline-10 points.

Spelling and Punctuation-Follow given directions in packet-25 points

Literary Terms/Short Answer-Write out the complete question and a complete sentence(s) response to receive full points-25 points.

Total points for all pieces-90 points (formative)

This is to be completed on your own paper (using sticky notes for annotation pages).

This is to be done over the entire unit and will be due on Monday, May 2.

You may earn **10 extra credit** points for finding, and defining, 10 new vocabulary words.
