

Annotation Guidelines

When you TTTT (annotate) you must highlight important sections and include the following:

A minimum of 3 of each

Questions (label Q)

Comments (label C)

Connections (label X)

Vocabulary (Label V)

All questions, comments and connections must be complete sentences.

Vocabulary should be words that are new to you and/or important to the understanding of the text.

Remember to use highlighter for highlighting and a pen or pencil for your writing.

Anything less than the minimum requirements listed above will result in lost points.
