On the back of this paper, write a short paragraph reflecting on your 8th grade year so far and what needs to continue, or change, in your behaviors and work ethic.

Please show your parent(s) your MLP goals for this class (in ePortfolios), show them your composition book, look at your response from October 11, then discuss with them how your reading is going both at school and at home. Also, tell them one thing you have learned about yourself as a reader. Please have them sign this paper.

Make sure to introduce me to your parent(s).
