

## Yellow Fever PSA

Name: \_\_\_\_\_ Hour: \_\_\_\_\_

Directions: You will create a PSA (Public Service Announcement) to raise awareness and help stop the spread of Yellow Fever in Philadelphia in 1793. Think about this poster as if it presents an **argument** on whether (or not) more could have been done to prevent this disease from spreading.

You will use a **minimum of two pieces of textual evidence** from the essay and the "yellow fever facts" to support your recommendations. You will also use a **minimum of 3 vocabulary** words from the texts in your PSA. The rubric for this assignment can be found at the bottom of this page. Sample PSA will be hung up around the room. You may look them over before you begin. This will be due \_\_\_\_\_. This rubric must be turned with your poster.

Rubric:

Textual evidence: \_\_\_\_\_/10

Vocabulary: \_\_\_\_\_/ 6

Neatness/creativity: \_\_\_\_\_/ 4

Total: \_\_\_\_\_/20 (summative)
