EVALUATE NARRATOR

Have you ever suspected someone was not telling you the truth? Just as you can't trust every person you meet, you can't believe all **narrators**, or characters who tell a story. To evaluate a narrator's **reliability**, or trustworthiness, pay attention to his or her actions, attitudes, and statements. Do any raise your suspicions?

Directions: In the chart, record any clues that reveal whether the narrator is reliable or not.
