

30.4 Alexander's Plan to Unite His Empire

Why is Alexander called "Great?"

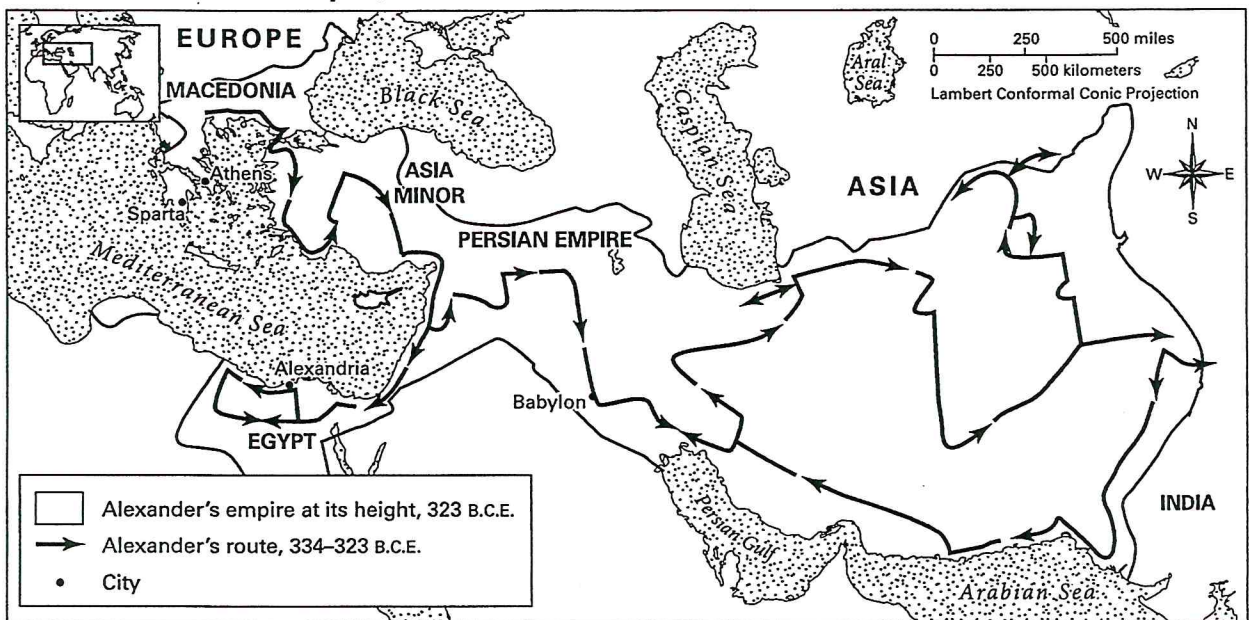

Section 4

pg. 315

Follow the directions to complete the map.

1. Shade in Alexander's empire on the map and in the key.
2. Circle the names of at least two regions or empires included in Alexander's empire.
3. Write a caption below the map that explains what is significant about the empire's size and what problems that size might create.

Alexander the Great's Empire, About 323 B.C.E.

NOTES Chapter 30.2 & 30.3

30.2 The Peloponnesian War & Rise of Macedonia

The outcome of the Peloponnesian War was that....

What made it possible for King Phillip II to succeed in Greece?

30.3 Alexander Creates an Empire

What did Alexander do to help the Greeks unite under his rule?

What happened to the government officials of towns that surrendered to Alexander?
