

My School is Closed

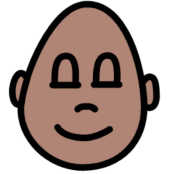

Right now there is a virus going around called the Coronavirus or COVID-19.

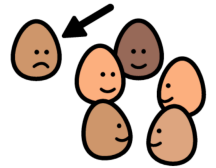

Because of the virus, my school is closed for the rest of the year.

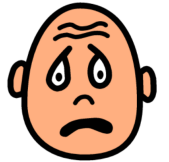

My school had to close to keep everyone safe and keep from spreading the virus.

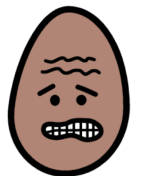

I won't be able to see my friends or teachers for the rest of the year.

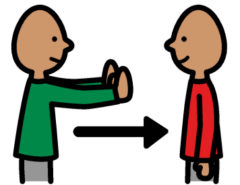

This makes me sad and worried about a lot of things.

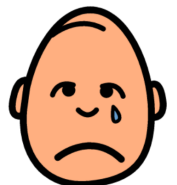

There are going to be a lot of changes coming up.

I will have to continue to stay at home and keep practicing social distancing.

It's ok to feel sad. A lot of people are sad right now.

My school will open back up eventually and the virus will go away.
