

MUSIC E-LEARNING FAQs:

- If your summative video was received I graded it, if not you are excused from the assignment. If you are a soloist and still want to turn your video in, do so by Friday(3/20).
- There will be two categories of assignments during this break. One for those who have their instruments and one for those who do not.
- If you need to up your grade - do both and get the credit if you want! (this only applies if you have an instrument at home and CAN do both)
- As per school policy, all grades during the quarantine are formative.
- Mrs. Hartrick is available to chat during the day if needed. Shoot me an email and I will respond as soon as I can.
- If you or someone in your family contracts the Corona virus or become ill - please take care of your health as the first priority. It is more important than Internet school!
