WODL Speech Preparation Sheet

Name

SAMPLE

School

The following sheet is the ONLY note sheet you are permitted while speaking at WODL league meets. You are encouraged to simply bullet point your claims and flesh them out during your speech (you are allowed/encouraged to practice fleshing out your points beforehand). If you write out your entire speech and simply read it, your rank and score will suffer mightily. Remember, debate is competitive public SPEAKING, not competitive public READING or competitive public WRITING! A copy of this sheet MUST be presented to your judge PRIOR to delivering your speech, so you probably will want 2 copies so you can keep one while you speak.
