

# Greater Than Less Than Dice Game

Deb Thomas© 2012

What you need to get going:

Two dice or number cubes  
(three if you want to  
challenge your students)

Activity Worksheet  
(one for each student).

## How to Get Rolling:

1. Roll the dice.
2. Put the dice together side by side.
3. Write down the number you made in the first column
4. Roll the dice again and write the number in the last column.
5. Write the < or > sign in the middle
6. Repeat all the steps
