Daily Word Problems

This unit features 72 different daily word problems that includes basic addition and subtraction with 2 and 3 numbers. It also features a black and white version.

- I use these cards under my document camera each morning.
- The cards are not numbered because they would also make easy {and super quick} math centers.
- The black and white cards can also be used in math journals!
- The document is set up to be printed 4 per page but I printed mine 8 per page. When you print: {1} Select the box that says MULTPLE {2} ENTER 2 ON THE PAGES PER SHEET BOX {3}UNDER ORIENTATION- CLICK THE CIRCLE THAT SAYS LANDSCAPE {4} CLICK PRINT!
