

TRUE and FALSE and C.O.T. (completely off topic)

DIRECTIONS: Use all three sources to decide if the following statements are TRUE or FALSE or C.O.T. If the statement is FALSE, correct it to make it TRUE.

You must write out the complete word TRUE or FALSE.

- _____ 1. 18 percent of teens who text send and receive more than 200 texts per day.
- _____ 2. 3 in 5 students showed signs of addiction when asked to give up their electronics for 28 hours.
- _____ 3. Doris' father did not leave the stray dog at the pound because he didn't have enough money.
- _____ 4. Kids spend an average of 269 minutes texting every day.
- _____ 5. Dr. Elizabeth Dowell at Villanova University in Pennsylvania says that many people expect to be able to access anyone at any time.
- _____ 6. The texting pie chart is based on a survey of 999 teens ages 12 -17 done by the Pew Research Center in 2001.
- _____ 7. "Lowrey cheerleaders please report to the school gym."
- _____ 8. Technology is good because it enables you to stay busy, be informed, and connect with friends.
- _____ 9. Teens who spend more than 12 hours a day in front of a screen are much more likely to get average grades.
- _____ 10. Kenny Alarcon admitted he felt less stressed when he gave up his phone for 48 hours because he didn't have to be involved in school drama and gossiping.
- _____ 11. A HUGE percentage of teens only send 1-10 texts per day.
- _____ 12. Security cameras are a good thing because anyone who is doing good deeds shouldn't feel guilty.
- _____ 13. Technology allows you to stay in touch with friends and family who live far away.
