

4. Why doesn't Thrym realize that his "bride" is actually Thor disguised as Freya?
- A He does not get close enough to have a good look at Thor.
 - B He believes the excuses Loki offers to his questions.
 - C He does not want seem foolish in front of the other Frost Giants.
 - D The lighting in the banquet hall is too dim to see Thor.
5. The author structures this story by describing how an event causes each character's actions. For each character's action, choose an excerpt from the passage that explains the event that made the character act as he did. Write the letter of the event next to the character's actions in the chart.

Event	Character's Action
	Woden tells Thor to go to the land of the Frost Giants.
	Thor dresses up in disguise as Freya.
	Thrym returns the hammer.

- A The hammer never missed its target and, incredibly, it flew back to Thor's fist when its work was done.
- B Thrym, the Frost Giant king, had managed to steal Thor's hammer.
- C He sent a message that he would return Thor's hammer on one condition: Freya the Fair, goddess of love and beauty, must agree to marry him.
- D The gods of Asgard agreed and pondered just what Thor should do to get his hammer back.
- E The gods hid their laughter as Thor and Loki departed for the land of the Frost Giants.
- F Thrym stamped his scepter on the floor. He could wait no longer to wed Freya the Fair. "Bring Thor's hammer," he commanded.
