Classwork 10-26-17

Today's Objectives:

By the end of the class period students should be able to say:

1. **I CAN use the ellipse tool to create circles and elliptical shapes.**
 2. **I CAN use the rectangle tool to create circles and elliptical shapes.**
 3. **I CAN use the gradient mode in the fill options to create desired effects**
 4. **I CAN use the pen tool to create objects in the drawing**
-

Choose one of the following images and try to recreate it in Adobe Fireworks. Take a pencil to the computer with you and write down each step that you use to create this image. You will need this later.

Save your image as ### last name, first name-Cartoon

Do not save as a JPEG and do not turn in, you will be adding this another document!
