Today's Objectives:

By the end of the class period students should be able:

1. / CAN import and fade images using the Auto Vector Mask tool to create a collage.
2. / CAN add text using the text tool
3. / CAN use the scale tool, the eraser tool and the magic wand tool to add and edit images.

Create a Historical Person Collage

1. Open a new Fireworks document

Dimensions:

W 1000

H 800

Choose your own canvas color

2. Choose a person with a historical impact, then **import** at least 5 images of this person to your canvas. You may layer the images or separate them using frames
3. You may use the Command, Creative, Auto Vector Mask to Fade the images into the background if you choose or you may leave images without fading
4. Add a famous quote by that person and then add one of the filters to the text
5. For extra credit add a MASK to your collage

6. Save as

last name, first name-History
then as a .JPG and turn in only .JPG
