Multi Media
Class Work
12-19-17

Today's Objectives:
By the end of the project students should be able to say:
1. *I CAN* create an account in Powtoon
2. *I CAN* create a new Powtoon using a Template
3. *I CAN* change text and swap an image to represent myself

<u>Directions for today's assignment:</u>

- Before anything, Sign in to your school Gmail account
- Then Go to the following website:
  https://www.powtoon.com/home/

1. Click Login-then Click Login with Google
2. Go to My Powtoons tab and edit the 5 Facts Powtoon you created yesterday.
3. Each slide must contain:
   ✓ A fact about yourself that you would like to share in the first text box and a secondary text box that gives more detail about the fact that appears after it on the same slide.
   ✓ The image that you used to represent yourself on each slide.
   ✓ A new background image to match the information on the slide.
   ✓ At least one prop add to the slide so that it plays after the first text box appears

Preview when the Powtoon is complete then publish. When you publish, copy the link on the published page and paste it into an email to me.
