

Who: Every DHS Student!

What: 

Required Summer Learning for Math

Where: in the comfort of your own home or at a library

When: every day, at least 10 minutes per day, an hour a week... if you miss a day, do 20 min the next day!

How:

1. Sign up at khanacademy.org (or log in if you already have an account)
2. Go to khanacademy.org/coaches (coaches tab in your profile)
3. In the "add a coach" field, enter your class code:

Class OF:	Class Code
2020 (incoming Freshmen)	P9WRX9
2019 (Sophomores)	BHRYVW
2018 (Juniors)	9YWVM6
2017 (Seniors)	6ZPMYX

Why:

1. **To learn more math, which will result in higher standardized test scores and grades**
2. **To work on math missions at your skill level and/or SAT practice**
3. **There will be FABULOUS prizes for the top 20 students who earn the most energy points and a raffle for all DHS students who complete the summer learning requirement for math.**
4. **To demonstrate your work ethic and possibly impact your math or intervention placement at DHS**
