

Geometry

What is expected from me each week?

1. **Must make meaningful contact with the teacher AT LEAST ONCE using one of the following methods:**

- Attend Google Hangout/ Office Hour(s)
- Direct email or via Remind

2. **Must complete the weekly assignment by Friday at 11am.**

Assignments will be posted at Noon every Sunday. Assignments are due the following Friday by 11am.

****During this time, if you have family, technology or any other issues that prevent you from participating, please email me and let me know.**

How will I be graded?

You will receive **two** grades per week:

Grade 1: Engagement (Came to hangout/made contact)

Grade 2: Participation (Completed and submitted appropriate work)

For each of the above you can receive

1 (complete) or blank (incomplete)

Students who do the following will earn the grade of A recorded:

- Engage in at least 75% of the remote lessons and hangouts.
- Submit and earn a passing grade on at least 75% of the assignments.

Students who do the following will earn the grade of G which awards credit:

- Engage in 60-74% of the remote lessons and hangouts.
- Submit and earn a passing grade on at least 60-74% of the assignments

Students who do the following will earn the grade of N which is no credit given:

- Engage in less than 60% of the remote lessons and hangouts.
- Submit and earn a passing grade on less than 60% of the assignments.
