Timeline Project Information

Pick a Person, Place, or thing that had a significant impact during the time period 500-1500 AD. Many fine topics can be found in the textbook.

Research use the Internet to find:

- Pictures

- Relevant information on your topic explaining its **significance.**

- A date (year) attributed to the person, place, or thing.

- Reference the websites where you obtained your picture and information as well as places which contain additional information.

Organize and plot your information on the class Dipity Timeline. Your information should be coherent and relevant. **Do not** use Wikipedia as a link or reference.
