

Role of Government Collage

1. Identify the 4 Roles of government:

Protector

Provider

Regulator

Consumer

2. Provide 3 pictures, illustrations, or symbols which are examples for each of the governmental roles. 3 x 4 = 12

3. Write a brief description under each picture.

Role of Government Collage Rubric				
Appearance	Zero	1 point	2 points	3 points
	Lack of effort.	There are issues with the appearance of the collage, problems with organization, colors, and lettering.	The collage looks nice, but there are one or two minor problems which distract slightly from its appearance. Use of lettering or color may not be employed fully.	Nice lettering, exceptional organization, good use of colors, information is easy to identify
Pictures	12 points			
	Each picture is appropriate and related to the government role which it is categorized. 3 X 4 = 12 Points			
Description	Zero	1 point	2 points	3 points
	No pictures have descriptions	Some pictures have a descriptions	Most pictures have a description	Each picture has a description
