

## Budget Simulation Activity

Due date: Wednesday, January 4, 2017.

### Budget PART I - 10 Summative Points

A. Go to the Budget Simulation link below.

Budget Simulator | [Committee for a Responsible Federal Budget](#)

B. Read all the Introduction and all directions and create a budget. After you have successfully completed the budget, on the summary page select: **Save PDF**.

C. Save the file as **Your First & Last Name & Hour - Budget**.  
Example: AliMakki3rdBudget

D. Go to iLearn and upload your file to me on iLearn.

Any submissions that do not have a balanced budget will receive a 3 point deduction, but can receive an additional point if a one paragraph explanation is written stating why you were unable to balance the deficit.

### Summary Part II - 10 Summative Points

A. Using the budget you prepared, list and explain **10** of your most difficult budget decisions.

B. **Each item** listed needs to have an **explanation** why it was a difficult decision for you to make. Type out your items with their explanations.

C. Attempt to upload your file on iLearn or attach this summary to your budget and submit it to me on Wednesday, January 4, 2017.

D. Save the file as **Your First & Last Name & Hour - Summary**.  
Example: AliMakki3rdSummary

- **Late submissions will receive a 2 point deduction each day.**

**If all else fails, e-mail me your budget and summary at:**
