

[Budget Simulation](#)

Budget PART I - 10 Summative Points

A. Go to the Budget Simulation link below.

[Budget Simulator | Committee for a Responsible Federal Budget](#)

B. Read all the Introduction and all directions and create a budget Using the budget you prepared, **list and explain 10** of your most difficult budget decisions. This should consist of some of your spending and taxation decisions. (click "learn more" next to the item to gain more information)

C. **Each item listed** needs to have **an explanation why it was a difficult decision for you to make**. Write out your items with their explanations.

D. Turn you paper into the substitute

E. Late submissions will receive a 2 point deduction each day.

Summary Part II - 10 Summative Points

A. Read all the Introduction and all directions and create a budget. After you have successfully completed the budget, on the summary page select: Save PDF.

B. Save the file as Your First & Last Name & Hour - Budget. Example: AliMakki3rdBudget

C. Submit your file on Google Classroom

Any submissions that do not have a balanced budget will receive a 3 point deduction, but can receive an additional point if a one paragraph explanation is written stating why you were unable to balance the deficit.
