

Woman's Suffrage Before 1920

Source: Sandra Opdycke, *The Routledge Historical Atlas of Women in America*, Routledge (adapted)

(Note: Wyoming and Utah became states in 1890 and 1896, respectively. Their territorial legislatures had previously approved equal suffrage for women.)

1. Which state was first to grant women suffrage?
2. According to the map, what region of the country was the most progressive on woman suffrage?
 - a. Why do you think this was true?
3. Which parts of the country did not allow women to vote?
 - a. Why do you think this was the case?
